

COLD WEATHER STOPS THE FLOOD

Drop of 28 Degrees in Temperature
Over Night Causes Water to
Subside Rapidly Today.

WATER IN BASEMENTS YET

Average Fall of From Six to Eight
Inches in Water on Streets is
Noted During Day.

RIVER STILL OUT OF BANKS

Fall in Lowlands is Estimated at Two
or Three Feet—Mill Race Not
Overflowing Now.

A decline of twenty-eight de-
grees in the temperature in twelve
hours checked the flood locally, but
the same trouble with water in base-
ments of business houses and resi-
dence was experienced today a yes-
terday

The water was rapidly receding but
the river was still out of its banks.
It was the general opinion that flood
conditions would not exist must long-
er since the weather man promised
the cold weather would continue.

The flood waters that crossed Sec-
ond street at Julian and Perkins
street at First subsided fast today,
a fall of six or eight inches being re-
corded. The water that extended up
to the corner of Perkins and First
streets in both Perkins and First
had receded a half block away. The
mill race was back in its banks to-
day. The only place in the city the
race overflowed was between Sec-
ond and Third streets.

Water was entering the cellar of
the Daily Republican building today
as fast as ever. A rotary pump prop-
elled by a gasoline engine was the
only means that could be used to
keep the water down. The Peoples
National Bank still had a force of
men employed today with hand
pumps to keep the water down.

The river bottoms east of Rush-
ville and north of the road were not
covered with water today as yester-
day. On the south side of the road,
however, the water still flowed, al-
though it was not so high as yester-
day by two or three feet, it was esti-
mated. The water at Second and
Julian streets had gone down enough
so that residents of that district no
longer feared a flood and George
Smalley, liveryman, who had to move
out Sunday night, was back in his
old place of business again.

Reports from over the county were
in effect that the same conditions ob-
tained as in Rushville. The coming
of colder weather marked the crest
of the flood and the waters subsided
fast during the day.

According to Elwood Kirkwood, of
Manzy, county weather observer, the
temperature was 32 degrees above
zero at 6:30 last night and 13 above
this morning at six o'clock, showing
a drop of twenty-eight degrees. A
continuation of colder weather is the
prediction today. Temperatures in

Congratulations To--

Charles Kenner, a well known far-
mer of the Little Flatrock neighbor-
hood. A little late perhaps, as his
birthday was yesterday. Mr. Ken-
ner was fifty-eight yesterday. He
says that fifty-eight years ago yes-
terday a foot of snow covered the
ground. Yesterday was also the
birthday of Allen Hinchman, a well-
known retired farmer of North Main
street. Mr. Hinchman was 79 years
old.

BREAK IN THE GAS MAIN

Peoples Company Will Repair Lines
Wednesday Morning

Officials of the Peoples Gas com-
pany announced today that the gas
would be shut off completely Wed-
nesday morning from nine until
eleven o'clock so that repairs could
be made to a main which pulled in
two north of the city. The break
in the main explains the shortage of
gas that was noticed by consumers
of the Peoples company this morn-
ing. It was stated that very little
pressure could be kept on the mains
until the repair was made. It is the
first time the Peoples company has
had a shortage this winter.

CLOSE FRIEND OF L. L. ALLEN DROWNS

Wilbur F. Starr, Soloist and Class-
mate of Rushville Man, Goes
Down in Swollen Stream.

CAPTAIN ALLEN'S COMPANY

Wilbur F. Starr, age forty-two
years, a well known Indiana soloist,
who was drowned in a swollen
stream near Marietta, Ohio, was a
classmate of L. L. Allen of this city
and was captain of Company I, One-
hundred and fifty ninth regiment, of
which Mr. Allen was a member, in the
Spanish-American war. Mr. Starr
was also Paul Allen's first school
teacher.

Mr. Starr and his wife were going
from Cleveland, O., to Chester Hill
last Saturday night in a carriage to
give a concert and Mr. Starr and the
driver were drowned when the ve-
hicle overturned while they were
fording a swollen stream. Mrs.
Starr was rescued but Mr. Starr's
body has not yet been recovered.

Mr. Starr was a close friend of
L. L. Allen's. They were reared
together in Greencastle. Mr. Starr
was born in Putnam county and was
graduated from DePauw University.
He was associated with the Castle
Square Grand Opera company and
the Alice Neilsen Comic Opera com-
pany before entering Lyceum work.

WIFE OF CARTHAGE M. E. MINISTER DIES

Mrs. Elmina Jessica Ericksson Age
33 Years Expires in an Indiana-
polis Hospital

THE FUNERAL IS HELD TODAY

The funeral services of Mrs. El-
mina Jessica Ericksson, wife of the
Rev. Mr. Ericksson, pastor of the
Methodist church in Carthage, were
conducted this afternoon by the Rev.
C. E. Bacon, district superintendent,
assisted by the Rev. W. M. Whitt-
sitt of this city.

Mrs. Ericksson died Sunday in an
Indianapolis hospital after an illness
of several months. She was thirty-
three years old. Mrs. Ericksson was
born in Fort Wayne, graduated from
the high school there and later from
Taylor University. She is survived
by her husband and two children,
Ralph and Alice.

The Uniform Rank, Knights of
Pythias will have a special meeting
tonight at which time the company
will practice in preparations for the
trip to Newcastle.

STORES MADE CO-OPERATIVE

R. H. Jones Company is Formed to
Control 99 Cent Store and Fair
Store of Greensburg.

STOCK ISSUED AT \$100 SHARE

Will be Sold Only to Employees of
the Company—String of Stores
is in Prospect.

A business change effecting the 99
cent store of this city and the Fair
store of Greensburg, was perfected
yesterday, when the R. H. Jones Co.,
was organized and incorporated for
\$25,000. The officers of the new
company are Roy H. Jones, presi-
dent; Harry Hillabold, vice-presi-
dent and Carl Broich, secretary and
treasurer.

The policy of the two stores will
not be changed in the least, the main
purpose of the organization being to
put the stores on the co-operative
plan by letting the employees become
stockholder. The plan was conceiv-
ed by Mr. Jones, who desired to re-
tire from the active management of
the stores. The stock is listed at
\$100 a share and will be sold only
to the employees.

Mr. Jones will act as the buyer for
both stores. Harry Hillabold will
continue as the manager of the
Greensburg store and Carl Broich
will take charge of the local store.
Mr. Broich came here from Indian-
apolis. He is an experienced man in
this business and was formerly with
the Bobbs-Merrill company.

Mr. Jones stated this morning that
the company in the future hopes to
open other stores in this section of
the state and in time will have a
string of stores similar to the ones
here and in Greensburg. The names
of the stores will not be changed
and the business will be carried on
under the name of the R. H. Jones
Company.

Other firms have found it to their
advantage to have their employees
own stock and Mr. Jones believes
that there is little doubt of the ven-
ture proving a success. One provi-
sion is made that the employees in
case they desire to dispose of their
stock shall sell it back to the com-
pany.

SUBMARINE K-5 IS SAFE

Searching Boat Reports She Was
Sighted at 3:55 This Morning.

(By United Press.)
Washington, Feb. 1.—The navy
department announced today that
the submarine K-5 is safe.

Captain Simpson of the Sterrett,
one of the searching boats, reported
to the radio station that she was
sighted at 3:55 this morning ten
miles from Miami, Florida. The K-5
was steaming south at ten knots an
hour and needed no assistance. She
should arrive in Key West today.

WILL SPEAK ON HIS TRIP.

John Frazee, Jr., who was a mem-
ber of the Ford peace expedition will
give an address on his trip Wednes-
day night at the Graham Annex. Mr.
Frazee will take for his subject "Eu-
ropean Conditions and their Rela-
tions to the United States." The
talk should prove interesting. The
meeting is open to the public and it
is hoped that a large crowd will at-
tend.

Walter E. Smith has filed suit on a
note and to foreclose a mortgage
against Wilbur D. Gordon, demand-
ing \$175.

MISSING APPAM SHOWS UP TODAY

British Liner Believed Lost Speeds
Into Hampton Roads With Ger-
man Prize Crew Aboard.

CAPTURED ON JANUARY 15

Moewe, Which Captured Appam,
Sinks Seven British Steamers
During Career as Raider.

(By United Press.)

Norfolk, Va., Feb. 1.—The most
daring feat of the world war was re-
vealed today when the missing Brit-
ish liner Appam, flying the German
flag, sped into Hampton Roads at
5:45 a. m., with a German prize crew
aboard.

A message thrown from a port
hole of the British steamer Appam
to a United Press reporter this af-
ternoon revealed the name of the
German raider whose prize crew had
brought the liner into port, as the
Moewe, and gave the names of seven
British steamer sunk by the Moewe
and told that she had started the re-
markable career of raiding from the
Kiel canal, passing entirely through
the British naval lines.

The Appam with 166 passengers
and a crew of 134 was believed to
have flourished in a heavy storm or
to have been torpedoed off the west
African coast two weeks ago while
enroute to England. She had been
given up as lost.

Instead, the big liner was captur-
ed by a German merchant raider. A
prize crew headed her about through
heavy seas, raced across the Atlan-
tic, and eluded British warships pa-
trolling the American coast, reached
port today, their movements curtain-
ed only by a light fog.

The Appam passengers said they
were attacked and overcome Janu-
ary 15, off the Canary Islands by
the armed merchant vessel which
disappeared after putting a prize
crew on board the liner.

The German prize crew in charge
of Lieutenant Oscar Berg, would not
tell the name or nature of the boat
with which they attacked the Appam.

CAPTURED TWO VESSELS.

(By United Press.)
Washington, Feb. 1.—The captur-
ed British steamer Appam was armed
by as a commerce raider by the Ger-
mans and captured at least two ves-
sels on her voyage to America, was
information contained in a report of
Collector of Customs Hamilton at
Norfolk to the treasury department.

MRS. REEVES STILL LIVING

Knightstown Woman, However Said
to Have Little Chance.

(Special to the Daily Republican.)
Knightstown, Ind., Feb. 1.—Mrs.
Samuel Reeves, who was overcome
by gas fumes, which resulted fatally
to her husband, was still living this
afternoon, but little hope is being held
for her recovery. Mrs. Reeves has
been conscious only two or three
times and then for only brief inter-
vals. The funeral arrangements of
Mr. Reeves have not been made pend-
ing the outcome of Mrs. Reeves' condition.

AUTO RUNS UNGUIDED.

When Roy Beaver left an automo-
bile in front of his home this morn-
ing, the clutch slipped into high gear
and the machine started on an un-
guided "joy ride." It did not stop
until it had run over the sidewalk in-
to the yard, torn down a fence and
hit a tree. The brake was set but did
not hold. The machine was not dam-
aged much.

AGE INMATE DIES TODAY

Mrs. Elizabeth Bruin Expires at Poor
Farm of Cancer.

Mrs. Elizabeth Bruin, 88 years old,
died this morning at 8:30 o'clock at
the county poor farm following a
long illness from cancer and senil-
ity. Her death had been expected.
She was one of the oldest inmates at
the county farm and had been there
since last April. She is survived by
one daughter, Mrs. Thomas O'Brien
of Connorsville and an adopted
daughter, Mrs. Ora Maple of Glen-
wood. The funeral arrangements
have not been completed.

BRIDGE REPLACED IN 1915 DAMAGED

In Addition to Loss Southwest of
Carthage, County is Hard Hit
by Damage to Roads

GREEN INSPECTING TODAY

The county will be hard hit as a
result of the recent high water. At
least one large bridge, several small-
er ones and many culverts are
known to have been washed out and
some of the roads have been dam-
aged by the flood. It became known
today that the large bridge over the
Big Blue River, southwest of Car-
thage, was washed partly away. On
one side the bridge was swept away
and it will mean practically a new
bridge. The bridge is on the coun-
ty line between Rush and Shelby
counties.

A large fill at Beaver Meadow, west
of Arlington was washed out. Supt.
Green was on a tour of inspection to-
day and found much damage. A small
bridge in Orange township was wash-
ed out and a large strip of high-
way near Milroy was washed out
and it will likely require a cement
retaining wall about ninety yards
long. The bridge over Blue River
was just replaced last year, follow-
ing the flood of 1913.

ZEPPELINS' TOLL 54 DEAD AND 69 HURT

German Raiders Hampered by Mist
in England Else Fatalities Might
Have Been Greater.

AN OFFICIAL ANNOUNCEMENT

(By United Press.)
London, Feb. 1.—Fifty-four per-
sons were killed and sixty-nine in-
jured in Monday night's Zeppelin
raid over Derbyshire, Staffordshire,
Lincolnshire and Leicestershire, it
was officially announced this after-
noon.

The number of dead and wounded
may be increased in later reports, it
was indicated. The official state-
ment from cities bombed are still
incomplete. The Zeppelin raiders
were hampered in their operations by
a mist which made it impossible to
hurl down bombs accurately or to
gauger their surroundings.

The four counties raided by the
Zeppelins lie about 400 miles north
and northeast of London and contain
some of the greatest manufacturing
cities of England.

tion as cook in the Stiffler restau-
rant in First street.

CONDITIONS IN STATE BETTER

Floods Along White River Apparent-
ly do Worst and River is at
Standstill or Falling.

IS LOWER AT MARTINSVILLE

Will Rise Two Feet Below There,
However, According to Meteor-
ologist Armington.

(By United Press.)

Indianapolis, Ind., Feb. 1.—Floods
along the White river north of Mar-
tinsville apparently had done their
worst and the river was at a stand-
still or falling today. South of
Martinsville, however, the river will
rise at least two feet more, accord-
ing to Meteorologist Armington.

The White river was falling at
Muncie and Anderson, was station-
ary at Noblesville and Indianapolis
and had fallen three inches since 9
p. m. yesterday at Martinsville.

WABASH STILL RISING.

Terre Haute, Ind., Feb. 1.—This
city was today momentarily expect-
ing news that the Conover pond levee
had broken. This levee went out
in 1913. If it breaks it will endan-
ger 100 homes. Most of those fami-
lies have moved out.

The Wabash river was rising to-
day at all points south of the mouth
of the Mississinewa near Peru. At
Wabash, above that point, the river
had dropped eight inches at 10 a. m.

The Wabash reached the 22.6
stage today, a rise of 2.4 feet since
eight o'clock last night. A 25-foot
stage Thursday is predicted.

The Wabash was rising one inch
an hour at Mt Carmel, Ill. It reach-
ed a 22.4 stage there at 10 a. m. to-
day.

THOUSAND HOMELESS.

Peru, Ind., Feb. 1.—One thousand
people were homeless in South Peru
today, due to the flood of the Wa-
bash, which rose over a foot during
the night. The river was at a stand-
still at 11 a. m. today.

STREET LIGHTS ARE OUT.

Newcastle, Ind., Feb. 1.—Blue
River, which went over its banks
Saturday night, and covered a
wide area, was receding today. Part
of the grade of the Honey Bee divi-
sion of the Union Traction Company
just north of the city was washed
out, but workmen succeeded in filling
in the break. The city will be with-
out street lights until Friday or Sat-
urday because water has weakened
the foundation under one of the big
engines.

WATER FALLING SLOWLY.

Greencastle, Feb. 1.—The middle
pier of the bridge over Little Walnut
Creek on the Monon Railroad, north-
east of this city, is in danger of go-
ing out under the force of the water.
Approaches to wagon bridges in the
county have been cut, with the wa-
ter standing seven feet deep over
some of them. The water in this vi-
cinity was said to be receding slowly
at a late hour.

DANGER PAST AT ELWOOD.

Elwood, Ind., Feb. 1.—Flood wa-
ters, which reached within eleven
inches of the high water mark set
here in 1913, began receding late last
evening and it is expected the fifteen
families forced from their homes last
night and today will be able to move
back by tomorrow. None of the
bridges in the city, was weakened by
the flood and the damage done here
was not serious.

FORTY FAMILIES DRIVEN OUT.

Delphi, Ind., Feb. 1.—The crest of
the Deer Creek flood was reached

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break up a cold or cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.

Amusements

The Gem will show the nineteenth episode of "The Broken Coin" for the first picture tonight. Grace Cunard and Francis Ford are featured as usual. The other picture is a comedy entitled "Little Egyptian Malone." Eddie Lyons Lee Moran and Victoria Ford are featured. Tomorrow night the three reel feature drama "The Queen of Heart" will be shown in which Herbert Rawlinson and Anna Little are featured. On Thursday night the three reel drama "The Lion's Ward" will be offered.

The Princess offers a three reel feature "Sain and Sinners" for the program tonight. Maurice Costello and Leah Baird are featured. Misunderstandings and jealous suspicions cause a separation and the story is woven around this. Tomorrow night the next installment of "Neal of the Navy" will be shown. "The Great Divide," the tremendous success which served as a starring vehicle for Henry Miller and Margaret Anglin for many seasons has been adopted and produced in motions pictures by the Lubin company, with House Peters as Steve Ghent and Ethel Clayton as Ruth Jordan. The picture was produced on the identical spot which inspired William Vaughn Moody in his writing and abounds with a wealth of marvelous scenic value as well as dramatic acting. "The Great Divide" will be the attraction at the Princess, Friday, matinee and night.

TEXTILE MILLS GET WAR ORDERS

Started And Reopened After Many Years Idleness Because of European Conflict

ON LARGER SCALE THAN EVER

(By United Press.)

Boston, Feb. 1.—The woolen and worsted mills in New England are thriving, according to the statistical review of the Textile World Journal. This condition is said to be representative of the entire country. Idle mills were started, partly owing to war orders and it is difficult to find a mill capable of manufacturing profitably without extensive rebuilding, that has not been leased or purchased and put in operation. The American Woolen company has acquired another mill in Maine, besides making many important improvements and increases in its various plants. The United States Worsted Company has largely re-equipped and started up the Iroquois Mills at Saugua, Mass., after an idleness of many years. The Bigelow-Hartford Carpet company is bringing about manufacturing economies by building new mills at Thompsonville, Conn., and at Clinton, Mass., and converting machinery from Lowell, Mass. Extensive rebuilding operations are under way at the Sanford Mills at Sanford, Me.

DO NOT HAVE TO PAY INHERITANCE TAX

Masonic Lodges and Other Organizations Are Not Amenable to Law, Stotsenburg Says.

OPINION MEANS REQUESTS

Evan B. Stotsenburg, attorney general, has given an opinion to the inheritance Saturday gave an opinion to the inheritance tax department of the state board of tax commissioners in which he said that Masonic lodges, and other organizations of similar character, where they are beneficiaries of legacies, are not amendable to the provisions of the inheritance tax law, if they are of the class of institutions known legally as charitable, and if the property that is bequeathed to them is to be used solely for the purpose of the organization.

The opinion said, in part: "Such societies are exempt from the payment of the inheritance tax where the property can be considered as having been devised to a charitable institution for the purpose of its organization. It has been held in Indiana that a devise to a Masonic lodge is a devise to charitable uses."

Service of The "Jiners."

The month just past has been a great time for annual meetings. The newspapers are full of lists of officers elected for churches, fraternal and charitable societies, business corporations. It is very noticeable that the work of carrying on all these organizations tends to be concentrated in a few hands. One person may hold office in a dozen societies.

This is an age of "jiners." It is often said that one organization should be formed just to kill off needless societies. Yet all these forms of work are needed. It often seems impossible to get the offices filled. Most people sit still and criticize, while a few get up the supporters and arrange the entertainments.

It is sometimes said that the people who are prominent in a number of organizations are pushing and aggressive and enjoy leadership and management of others. It would be nearer the truth to say that when people are found to have executive ability, they are constantly teased to overload themselves with public tasks.

The organization of civic and social like involves generous, public spirited work. The time required merely for committee meetings is almost interminable. The society officer often finds it easier to decorate a hall himself than to get a committee who will do it. A Sunday school superintendent said the other day that he had asked 21 persons to teach a Sunday school class before he found one who would consent.

The planning of entertainments involves ceaseless labor and endless detail. Sometimes it seems a fruitless waste of energy. Yet the town lacking these social features is dead. People don't like to live there.

It should be recognized that people who accept these offices and perform these tasks perform a real public service. Wherefore, before declining to serve as secretary or committee member of some good organization, think is over well before you flunk on it.

The choice of a vice president never attracts any attention, but so far the delegates have always remembered to put one in nomination before leaving for their homes.

The fact that the boys take readily to military drill does not prove that they will lower their dignity by marching in with the girls at the Sunday school concert.

After talking about the extravagance of the age, a good many men go down to the garage and order their 1915 machine exchanged for a 1916 model.

Whatever error the income tax payers make in their returns, they never forget to allow for the tendency of profits to shrink and losses to grow.

President Wilson's speeches on Preparedness will convince everyone in places where he promises that they will get a munitions factory.

Glycerine and Bark Prevent Appendicitis

The simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka, astonishes Rushville people. Because Adler-i-ka acts on BOTH lower and upper bowel, ONE SPOONFUL relieves almost ANY CASE of constipation, sour stomach or gas. It removes such surprising foul matter that a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler-i-ka is astonishing, F. E. Wolcott, druggist. (Advertisement.)

OHIO CONVICTS HAVE COUNCIL TO MAKE COMPLAINTS TO WARDEN

With Forger Presiding, Meeting Comes to Order Today And "Kicks" Are Prepared, Such as Demand For Clean White Shirts on Visiting Days

Columbus, O., Jan. 31.—"Hear Ye! The honorable convict council of the Ohio penitentiary now stands convened." At the opening of the today's meeting of the convict City Council in the bug Trusty cell block at the Ohio penitentiary here, Councilman Joseph Kroeger, forger, thus called the eight convict Councilmen who, after hearing the "kicks" of the convict constituents, will make suggestions to Warden Thomas. Here's what happened at a recent council meeting:

Councilman Jay Whitman, horse-thief, addressed the chairman, Joe Cromwell, burglar, with this: "Your honor, I move we humbly petition Warden Thomas to provide all prisoners with clean white shorts on visiting days." "Second the motion," said Earl Pinder, murderer, "Lookey hear, yo' honah," frowned Bill Shannon, colored confidence man who represents the colored contingent. "Clean white shirts as scrumptious, but de warden 'll neva see us fo

dust, 'cause dis am no fashion emporium." The motion passed over Bill's objection. Next day they found out Bill was right. The warden refused the shirt petition, but he granted several other petitions, including hot coffee with Sunday night cold lunches in cells.

Prisoners have been permitted to talk at the noonday meals, and a petition to the warden asking that the privilege be extended to the morning and evening meals was passed at a meeting a few days ago. Here's the way Bill Shannon pulled for it: "Gemmem, dis sign langwidge at meals am getting de goats of ouah constituents. It am horrible hard foh dem to communicate by wigglin' dere hands, twistin' dere moufs, rollin' dere eyes and odder things. De warden should be petishuned to let us gab at all meals. Warden Thomas saw the force of Bill's argument and came half way by granting a petition to let them talk at the evening meal.

ARRESTS FALL OFF IN FIRST MONTH

New Dry States Take Inventory of Themselves—Novelty of Near-Beer Saloons

SUCCESS IS HANGING FIRE

(By United Press.) Portland, Ore., Feb. 1.—After a whole month on the waterwagon, the heretofore wet portions of the three state of Oregon, Washington and Idaho are taking an inventory of themselves. Total arrests of January, 1916, show a decrease of nearly two-thirds over the same month last year, according to official records. In Seattle, Portland, Spokane and Tacoma a drunken man is not often seen, it is said. The novelty of near-beer saloons hasn't worn off and their ultimate success is still hanging fire. Many of these have advertised a welcome to women customers. But only in curious groups, usually led by a man, have the members of the fair sex ventured inside. Many cellars and basements in Oregon and Washington are well stocked with liquor and an easy way is provided, for getting more. Idaho, which has a drum tight prohibition law, was nearly all dry by local option before statewide prohibition took effect.

SEVENTY FOUR MEN ARRAIGNED TODAY

Appear Before Judge Deery to Hear Sentence Pronounced For Spitting on Sidewalks

CAMPAIGN BY HEALTH BOARD

(By United Press.) Indianapolis, Feb. 1.—Seventy-four men, all charged with spitting on the sidewalks, filed sheepishly before Judge Deery today to have judgement pronounced. They were caught in the dragnet thrown out by the city board of health, which proposed to enforce the city ordinance. There were no women among the defendants.

The ordinance has no provision against spitting in the street, and since the arrests were made several days ago Indianapolis men have been walking a few feet nearer the curb. This ordinance is expected to prove a source of great annoyance to tobacco chewers especially if the health board continues to cause arrests.

CANDIDATE FOR CLERK Of the Circuit Court.

Subject to the Decision of the Republican Primaries March 7, 1916.

FRANK C. BUELL

To the Republicans of Rush County:

As it is nearly impossible to see each one individually we are authorized to take this method of placing his name before the voters for their consideration.

WHO IS HE?

He is a farmer, 48 years old, born and always lived on the farm where he now resides and received his education in the township and city schools.

He makes no claim to be entitled to the office any more than any other Republican that has always voted and worked for the party.

He does not say he needs the office to make a living as he is making a very good living where he is, but if nominated and elected he does not promise to give the salary away as he never saw any one yet who could not use another dollar or two.

He has been a Republican all his life; his father has been a Republican since the birth of the party; and his grandfather was a Whig before he was a Republican. None of them have ever held a county office or even asked for one.

If nominated and elected, he promises to serve the people to the best of his ability.

CLUB OWNERS TO RULE SUPREME

**Ball Players Have Hunch That They
Will Have to Make Few Con-
cessions to Men in Power**

TO PULL ON PURSE STRINGS

**Chance For Graft Being Eliminated
no Chance For Decision Fights
in New York**

(By United Press.)
 New York, Feb. 1.—While the Giants and other institutions of great wealth are paying Christmas Tree prices for stars of the late lamented Federal League, there is weeping and wailing and gnashing of teeth among the great majority of ball players at the prospect of having to stand for a few concessions to His Majesty the Clubowner in 1916.

Especially in the training season may the average ball player be hit where he feels it some—in the latitude of the hip where he keeps his greenware. A few lucky stars will hold to rosy prospects for another year or two by reason of long-term contracts made when the Feds' seemed determined to spend all the money in the world.

It's hard to figure how they can be hit by the changed conditions unless the clubowners choose to fly in the face of the Supreme Court, the law and the silk-hatted fraternity appertaining to the same. But of the unlucky athletes who found themselves caught without the protection of binding whereas they're telling another story as the time to go South draws near.

The lads whose chief concern in spring is the pretty tintinabulation of the dinner bell may fight shy of the dining room on the conditioning-tour this year. At the rate of 25 cents for soup and \$1.25 for steak they may not be as hungry in the spring of 1916 as in the days of the baseball war.

Then the magnates were smiling through their tears and standing for nearly anything to keep the slaves in line. Now with the magnates on terms of extreme friendliness there's a stringency of the old purse strings which looks portentous for the spring-time gamblers.

It was a matter of jest in last year's training tours that the players were rubbing it in on their obedient owners. Expenses meant little to them; the clubowners had a lot of 'em and the more they paid the more they seemed to grin.

Training bills ran into thousands and the spring games brought only a few paltry shekels, scarcely enough to buy liniment for winter-softened hurling wings. And the start of the league season found the clubowners maced for a right respectable roll.

No one has announced it yet; maybe no one will, but persons in the know of baseball don't believe for a minute the magnate will be tossing away railroad fare, hotel expenses and other coin this year just to hear it jingle along the pavement.

Maybe a whole crowd of athletes will have to pay the conductor for the ride from their respective homes to their equally respective rendezvous. Maybe they will have to go through certain financial formalities with the hotel man this year which were attended to in 1915 by the club treasurers and maybe, while the game of supposin' is strong maybe some of the players will find the price of their own uniforms deducted from the first semi-monthly paycheck.

Ball players winked at their financial and gastronomic strategy on the road in other years. They dropped off at way stations and stayed the pangs of hunger with lunch counter sandwiches, though they were allowed liberally for dining-car meals at dining car prices. It was a form of graft and with some athletes amounted to quite a sum in the course of the season.

New York boxing enthusiasts worked themselves into a heated state of mind during the recent agitation to allow decisions in ten

round bouts. The opponents of the plan advanced several objections, chief among them being the game was doing pretty well, thank you, under existing conditions. The logic of the situation however, was expressed by one authority who cited the case of the fighter and the boxer appearing in a short bout.

"Suppose a rough, tough, durable fighting person were champion," said this fight expert. "That type of man has to go ten rounds and have his map altered quite a bit to get his fighting instinct aroused. He is beaten badly as a rule for the first ten rounds of his fight with a clever boxer but on the other hand the boxer frequently weakens under his own exertion and succumbs to a knockout in a finish, fight. Would you have a fighter lose his championship on his showing in ten rounds under those conditions?"

"It's all wrong, Fred Wenck; entirely erroneous."

Lovers of the boxing game for the sake of the sport alone are alarmed over another agitation in boxing circles. It is Jim Buckley's advocacy of mixed bouts, contents between white and negro fighters. General opinion among men who give the game its touch of class is against the manager of Gunboat Smith.

The spectacle of a black fighter defeating a white man, toying with him, kidding him, perhaps (as was Jack Johnson's wont in his prime) before handing him his quietus seems to grate on the white man's sensibilities even in prospect. The reality, it would appear, would be a blow to the sport.

TO PLAY GREENSBURG HERE

**Independents Will Meet Strong Team
Next Friday Night.**

The Rushville independent basketball team will play the Greensburg independent team here next Friday night. The high school basketball team originally had a game scheduled for that date, but it was called off and an effort is being made to schedule a game for Saturday night. The contest Friday night promises to be one of the best of the season here. The Greensburg five is very strong. Rushville defeated them on their own floor by the narrow margin of four points a short time ago.

Just Try Rheuma No Cure No Pay

**That is the Basis on Which Druggists
Offer This Great Remedy For
Rheumatism.**

Anybody can afford to use Rheuma to get rid of terrible rheumatism, sciatica, or gout, for it is sold by Johnson's Drug Store, and other druggists at only 50 cents.

It is wonderful how speedily this simple remedy takes hold and how sore muscles limber up and swollen joints come down to normal. It is the best remedy you can find to drive rheumatic poison from the system and bring back health to misery-racked bodies.

"I was so crippled with sciatic rheumatism I could not walk. Doctors could do nothing for me. After taking three bottles of Rheuma, the rheumatism had entirely left me."—Guy Torley, 129 Summit Ave., St. Paul, Minn.

Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomaine-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water, with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.

Society and Club News

Edited by MISS FRANCES FRAZEE

Mrs. Maria Smullen entertained at dinner Sunday at her home in Raleigh schools.

Mrs. C. M. Brooks of Glenwood will be the hostess for another one of the delightful meetings of the Embroidery Club on Friday afternoon.

The Willing Workers class of the Methodist church will be entertained on Thursday afternoon by Mrs. Sam Young at her home in 325 North Perkins street.

The Ladies Aid Society of the Baptist church will have the regular business meeting the church tomorrow afternoon at 2:30. A large attendance is hoped for.

Mrs. Charles Osman will entertain the Wednesday Afternoon Club with one of their usual pleasant gatherings at her home in 409 West Third street tomorrow afternoon.

The Ladies Aid Society of the Catholic church will be entertained by Mrs. Kate Horr and Mrs. Tom Kirk, at the home of the latter at 620 West Third street, on Thursday afternoon.

Mr. and Mrs. Edson Aiken entertained at dinner Sunday at their home near Raleigh, Mr. and Mrs. Fred Lightfoot, Mr. and Mrs. Alva Poer and Mr. and Mrs. William Mathew.

Mrs. J. V. Young of 109 East Seventh will be the hostess for the members of the Emanon Club on Friday afternoon. This being the first meeting since the holidays, promises to be a delightful one.

Mrs. Harry McCrury of Glenwood will entertain the Ladies Missionary Association of the United Presbyterian church at her home on Thursday afternoon. The program planned for the meeting promises to be an interesting one.

A continuation of the interesting programs which are being given in the C. W. B. M. this year, will be the one that has been planned for the meeting tomorrow afternoon at the home of Mrs. Emily Coleman in East Sixth Street. She will be assisted by the ladies of the February division.

The Foreign Missionary Society of the Methodist church will be entertained tomorrow afternoon by Mrs. Charles Hugo at her home at 1004 North Morgan street. The program, which will be led by Mrs. J. H. Scholl promises to be one of interest and profit.

No points are being spared by the ladies of the Methodist church to live up to the reputation that has been established for Penny Suppers in this city in the one that they will give tomorrow evening in the church parlors. The doors will be opened at five o'clock and every one is invited to attend.

A congenial crowd of friends left today for an extended visit and trip through Florida. The party, which is composed of Mr. and Mrs. Aaron Wellman, Mr. and Mrs. Elmer Caldwell and Mrs. Frank Thomas, will stop in St. Augustine, Jacksonville, and spend the majority of their time in St. Petersburg and other attractive resort towns on the west coast.

The Women's Missionary Society, of the Little Flatrock church, will be entertained at the church Thursday afternoon at 2 o'clock, by the Ladies of the February division. The hostesses are Mrs. Cliff Stevens, Mrs. Clarence Carney, Mrs. Kenneth Kelso, Mrs. Clyde Wilson, Mrs. Irma Mitchell, Mrs. Stella O'Neal, Mrs. Banks and Mrs. Straughn. The leader for the meeting will be Mrs. Ora Logan.

The members of the Shakespeare Club are confident of an unusually interesting program at their meeting tonight, when Prof. Jenkins of Indiana University will give another of his interesting series of lectures. "George Bernard Shaw" is the promising subject with which he will interest the club members this evening.

The lecture will be given in the Assembly room of the Graham High School at 7:30 o'clock.

An interesting meeting has been planned for the members of the Flatrock Missionary society which will meet on Thursday in the church at two o'clock.

Mrs. Fred Boxley will entertain a company of her friends tomorrow afternoon with a progressive Rook party, which promises to be a delightful affair.

Miss Zula Jackson entertained the Raleigh Literary Circle at her home this afternoon. A delightful program was furnished by the members, which was enjoyable as well as instructive.

COTERIE CLUB

A postponed Christmas party was the form of the meeting of the Coterie Club yesterday afternoon, when they had a meeting full of interest and sociability. The Christmas tree and exchange of gifts that had been planned for the holidays did not materialize, so it was held yesterday with added interest and pleasure. In the gifts that were exchanged were included many dainty and clever remembrances, suggestive of the friendships that exist in this organization. Near the close of the afternoon, dainty refreshments were served to the guests. About fifteen members of the club were present to enjoy the pleasant afternoon. The next club meeting will be at the home of Mrs. Bert Trabue on Monday, February 14th.

FOR CALIFORNIA GUEST.

In honor of Ben Gruell of Los Angeles, Cal., who is visiting friends near the city, Mr. and Mrs. Charles Gruell entertained with a delightful dinner party at their hospitable home east of the city, on Sunday evening. With dainty pink and white carnations, the table was made radiant for the agreeable company of friends, who in this pretty atmosphere, spent such a pleasant evening. The dinner of several courses was beautiful in its appointments as well as delicious in each of the dainty dishes. Music and lively conversation made the evening a pleasant one for the guests who were the Misses Elsie Lucille Coffelder, Alice Harvina, and Charlotte Elsie Gruell, and Ben Gruell, Bert West and Glen Miller.

LADIES MUSICALE.

An unusually interesting and entertaining program marked the meeting of the Ladies Musicale which was held at the home of Miss Alice Norris yesterday afternoon. Miss Mary Smith had charge of the excellent program, which was as follows:
Piano Solo—Sonata by Haydn—Miss Anna Poundstone
Viola selection—"Caprice"—Fritz Kreisler.
Quartet—"For-get-me-not"—the Misses Alice Norris, Wanda Wyatt, Norma Smith and Mrs. Frank Wolcott.

Vocal Solo—"When Song is Sweet," by Gertrude Sansouci—Mrs. Ed Muire.
Viola record—"The Beautiful Bird"—Tetrazzina.
"Barcarolle," by Hans Sut—Miss Leona Thomas.
Vocal Solo, "Wishes"—Miss Wanda Wyatt.
Piano Solo, "The Spinning Song," by Wagner—Miss Mary Smith.
Vocal Solo, "Pluck This Little Flower," by Landon Ronald—Miss Norma Smith.

Viola record—Melba.
Piano solo, "Carnival Mignon," by Schut—Miss Norma Smith.
Quartet, "Water Lilies"—Misses Norma Smith, Wanda Wyatt, Alice Norris and Mrs. Frank Wolcott.

Following this a tribute was read to Mrs. Rich Wilson, who was one of the first and most popular members of the Musicale. Her beautiful life and its effect upon this organization as well as every other circle with which she was associated was dwelt upon.

The usual business meeting was the last feature of the afternoon meeting, which was agreed to have been one of the best of the year because of the beautiful numbers, that

showed careful preparation and talent by their excellent rendition.

LOTUS CLUB

The three tables of players composing the Lotus Club had another one of their enjoyable meetings last evening when they were entertained by Judge and Mrs. Will Sparks at their home in North Main street. The agreeable company had an interesting evening, at the close of which light refreshments were served.

CONDITIONS IN STATE BETTER

Continued from Page 1.

here at 8 o'clock last night and water is receding. Twenty families were driven out. The Wabash River is still rising, and has invaded Delphi on several streets. About twenty families also were driven out by the Wabash and more will have to go by morning. The Wabash is now about seven feet below the high mark of 1913.

MOVE TWICE IN MONTH.

Fort Wayne, Ind., Feb. 1.—Residents of Baltes avenue, Bluff street and Prospect avenue here, for the second time this month were driven from their homes by the high water Monday. The local rivers nearly reached the twenty-foot stage, which is four-feet above flood stage, and the weather man says that they will reach twenty-one feet by tomorrow morning. This will be a half foot higher than the previous high mark for this year.

LAFAYETTE BRIDGE CLOSED.

Lafayette, Ind., Feb. 1.—The high water last night covered the Brown street levee, and the bridge spanning the river between Lafayette and West Lafayette was closed to all traffic. This bridge lost two of its spans in the flood of 1913. The new Main street bridge is in no danger.

COLD CAUSES SUFFERING.

Wabash, Ind., Feb. 1.—Following a rise for forty-eight hours, the Wabash River here is at a stand five feet below the stage reached in March, 1913. With freezing weather there is much suffering among the families living in the second stories of their homes. In places interurban tracks are under seven feet of water. Many more homes were abandoned today by families in the lowlands.

HOPEFUL AT EVANSVILLE.

Evansville, Ind., Feb. 1.—Colder weather, it is believed, will check the flood pouring down the Ohio River as the result of the heavy rains over the Ohio valley. The stream last night was 37.6 feet and it will continue rising until Wednesday.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

TURN HAIR DARK WITH SAGE TEA

Grandma kept her locks dark, glossy and thick with a simple mixture of Sage Tea and Sulphur.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.

Sure Way To Get Rid Of Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

Stomach Troubles Quickly Cured

People go on suffering from little stomach troubles for years, and imagine they have a serious disease. They over-eat or over-drink and force on the stomach a lot of extra work, but they never think that the stomach needs extra help to do the extra work.

If these people would take Tonaline Tablets regularly they would be a great big help to the stomach in its strain of over-work. No matter what you eat or drink Tonaline tabs sweeten your sour stomach and stop gas belching in five minutes. The heaviness disappears, and the stomach is greatly aided in its work of digestion.

TONOLINE TABLETS

Not only promptly relieves

all distress, but if taken regularly will absolutely cure indigestion by building up the flabby, overworked walls of the stomach and make them strong enough to digest the most hearty meal. For sale by

Y. W. C. A. STARTS JUBILEE TODAY

Month of Celebrating The Fiftieth Anniversary of Founding Gets Under Way

SPECIAL DAYS ARE NAMED

Organization Membership Totals 342,948 And Has Property Valued at Thousands

(By United Press.)

New York, Feb. 1.—Throughout the United States, beginning today, the Young Women's Christian association starts its national jubilee month celebrating the fiftieth anniversary of the founding of the first association, in Boston, March 3, 1886. Nine hundred and sixty-six associations, including city, county and student have developed and exist today as the result of that first association, which was started by a society of women to help self-supporting girls who came to the city to seek employment.

The organization membership in America today numbers 342,948. The association owns millions of dollars worth of property in buildings to which hundred of thousands of young women go for education, recreation, to make friends and to find a place to live. Beginning with a nation-wide membership rally today, the jubilee month will be filled with celebrations and events.

February 6 and 7 will be pioneer days, on which every member of the organization, past and present, will report back to the local association which was her first interest. On February 22nd the historical pageant "Girls of Yesterday and Today" will be represented in every association building in the country. This will be a four-act play in which the Girl of 1866 and the Girl of 1916 will interpret through the medium of the other members of the company, the scenes that pass before them. There are only two speaking parts in the pageant. On March 3rd will be celebrated the Fiftieth Birthday of the association's work in America.

Other pioneer Associations bearing the name of Women's Christian Associations were organized in Hartford, Conn., Providence, R. I., Pittsburgh and Alleghany, Pa., in 1867. Cincinnati, Cleveland and St. Louis followed in 1868 by forming similar societies. Similar associations were formed in St. Joseph, Mo., Scranton, Pa., Kansas City, Mo., Minneapolis, Minn., and Toledo, Ohio. All City associations emphasized religious meetings and Bible instruction and as early as 1872 the New York City Y. W. C. A., commenced a Bible class which shortly developed an average attendance of 600. Employment agencies have always been an important part of Association work. In 1872 Hartford, Conn., erected the first building for this purpose. The first Association summer home was built at Asbury Park by the Philadelphia Association in 1874. In 1891 Kansas City, Mo., opened the first self serving lunch room, now known as the cafeteria.

In 1866 a convention was held at Lake Geneva and the National Young Women's Christian Association which later became the American Committee with headquarters at Chicago, was formed.

NOTICE OF FINAL SETTLEMENT OF ESTATE.

Notice is hereby given to the creditors, heirs and legatees of Beulah H. Pearce, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 11th day of February, 1916, and show cause, if any, why Final Settlement Accounts with the estate of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship and receive their distributive shares.

Witness, the Clerk of said Court, this 18th day of January, 1916.

Glenwood

The Ladies Aid society of the M. E. church met at the parsonage and elected the following officers: Mrs. Nellie Ruff, Pres.; Mrs. Ryan, vice-president; and Mrs. M. H. Fielding secretary and treasurer.

The society met Monday afternoon to sew for Mrs. Roy Hensley in making clothes for her daughter who will go to the Sexton sanatorium about Wednesday of this week.

George Hulse was operated on for some kind of cancerous growth in the neck of his bladder. It has been hurting him lately. Mr. Hulse is about 76 years old and an old soldier.

The rains have been descending for some time and small streams are running near by full. The cellars are being filled.

It was reported that Dr. Leon Mingle would locate at Markleville, where he would be near home. But he has concluded to remain in Glenwood. He has had a reasonable degree of success as a veterinary since he came to this vicinity.

Mrs. Henry Snyder succeeded in collecting enough funds to pay for the keep of the little daughter of Mrs. Roy Hensley's wife who goes to be operated on for appendicitis on Wednesday of this week.

Daniel Geise has purchased the Stamm property and will move there in April.

Lew Matney has bought the property where he has lived during his residence in Glenwood.

Master Leslie Link spent the week end in Orange with Mrs. Helen Stevens his sister.

Greenup Thompson may be honored with title of Justice of the Peace. Homer Nash trustee of Union township will fit him out with needed supplies as soon as possible. It is supposed his office will be at his residence.

The roads are fearfully bad so much so that rural carriers are delayed as much as 3 hours.

Several from here attended the Farmers Short Course at Orange on Saturday.

S. D. Turrer is growing much better. He has been down town two or three times this last week.

Geo. C. Jones was called to his home on account of his mother being prostrated cooking dinner for folks who were attending the funeral of Dan Hibbs, an old resident, Columbia, Fayette county, the cause being, "brain clot." She is now some better and there is some hopes for her recovery.

There was no preaching services at the U. P. church Sabbath day. Not many attended the services at the M. E. church Sunday morning. It only takes a little rain to keep most people away from church.

Lee Link was the first victim of the marshal and justice of peace. It cost him \$11.80.

The Rev. Daniel Ryan gave two very interesting talks at the church Sunday morning and evening.

Mr. and Mrs. Chas. Newhouse spent Sunday with Dr. and Mrs. J. E. Walther and family.

True Secret of Keeping Youthful Looking

(The Beauty Seeker.)
"The real secret of keeping young-looking and beautiful," says a well-known hygienist, "is to keep the liver and bowels normally active. Without these requisites, poisonous waste products remain in the system, polluting the blood and lodging in various organs, tissues, joints. One becomes flabby, obese, nervous, mentally sluggish, dull-eyed, wrinkled and sallow of face."
"But to get liver and bowels working as they ought, without producing evil after-effects has been the problem. Fortunately, there is a prescription of unquestioned merit, which may now be had in convenient tablet form. Its value is due largely to an ingredient derived from the humble May apple, or its root, which has been called 'vegetable calomel' because of its effectiveness—though, of course, it is not to be classed with the real calomel of mercurial origin. There is no habit-forming constituent in Sentinal tablets—that's the name—and their use is not followed by weakness or exhaustion. On the contrary, these harmless vegetable tablets tend to impart tone and elasticity to the relaxed intestinal wall. Sentinal tablets, which may be procured from any druggist—a dime's worth will do—will prove a revelation to any constipated, liver-troubled person."

The Constipation Curse

Constipation - clogged bowels cause pain and sickness; 95 per cent of our ills, say the authorities, Sentanel Laxatives bring quick relief. All vegetable - contain no calomel. Ten doses for a dime at any druggists. Physician's sample free, upon request, if you mention this advertisement. The Sentanel Remedies Co., Inc., 800 Madison Ave., Covington, Ky.

Swift's Fertilizers Continue to Make Winners

If you used Swift's Fertilizer and obtained the best yield in the state you would, of course, give our fertilizer the credit that was due it. NOW, if the following year's Champion used Swift's and this performance repeated from year to year, you naturally would begin to think that Swift's Red Steer Brand is a pretty good fertilizer, would you not?

Look at the Record and Decide Yourself.

There can be no better proof of the value of a fertilizer than the records made by those who use it. There must be merit in a fertilizer that produces the results stated below:

Mr. Will Essig, Tipton, Indiana—131 bushels corn per acre. The largest yield of which there is any record in Indiana. Mr. Essig was recently awarded a gold medal at the Panama Exposition. Used SWIFT'S.

Mr. Norris McHenry, Elizabethtown, Ind.—112 bushels per acre. Winner of the Indiana 1914 Men's Five Acre Corn Contest. Used SWIFT'S. In 1915 he was induced to use other than Swift's Fertilizer and got no prize.

Mr. F. R. McHenry, Norris' father—used no fertilizer in 1914 and won no prize, but as his son won the State Championship in 1914 with the aid of Swift's Fertilizer, Mr. McHenry used Swift's in 1915, got 87.3 bushels of ripe corn per acre and won the sweepstakes for men in the Bartholomew County Five Acre Corn Contest.

The 1st, 2d, 3d and 4th prizes for the highest yields of good quality corn in the 1915 Five Acre Corn Contest for men in Bartholomew County, Indiana, all went to users of Swift's Fertilizer. Also in the Boys' One Acre Corn Contest in the same county, the 1st, 2d, 3d and 4th prizes went to users of Swift's Fertilizer.

The Ohio 1914 Champion Corn Grower, Arnett Rose, Alger, Ohio—153.9 bushels—used SWIFT'S.

The Ohio 1915 Champion Corn Grower, Dewey Haines, Arcanum, Ohio—154 bushels—used SWIFT'S.

The Indiana 1914 Boy Champion Corn Grower, Roy Friedersdorf, Elizabethtown, Ind.—128.8 bu.—used SWIFT'S.

Gordon Reap, Elizabethtown, Indiana, who was third last year, is County Champion with 105.73 bushels. He also used SWIFT'S this year.

There certainly MUST be something in Swift's Fertilizers that PRODUCES RESULTS. Swift's blood, bone and tankage fertilizers make prize winners.

If YOU do not use Swift's Fertilizers, you are not sure that you are using the best fertilizer obtainable. You want the best—then buy SWIFT'S—the Red Steer Brand.

COLD WEATHER STOPS THE FLOOD

Drop of 28 Degrees in Temperature
Over Night Causes Water to
Subside Rapidly Today.

WATER IN BASEMENTS YET

Average Fall of From Six to Eight
Inches in Water on Streets is
Noted During Day.

RIVER STILL OUT OF BANKS

Fall in Lowlands is Estimated at Two
or Three Feet—Mill Race Not
Overflowing Now.

A decline of twenty-eight de-
grees in the temperature in twelve
hours checked the flood locally, but
the same trouble with water in base-
ments of business houses and resi-
dence was experienced today a yes-
terday.

The water was rapidly receding but
the river was still out of its banks.
It was the general opinion that flood
conditions would not exist must long-
er since the weather man promised
the cold weather would continue.

The flood waters that crossed Sec-
ond street at Julian and Perkins
street at first subsided fast today,
a fall of six or eight inches being re-
corded. The water that extended up
to the corner of Perkins and First
streets in both Perkins and First
had receded a half block away. The
mill race was back in its banks to-
day. The only place in the city the
race overflowed was between Sec-
ond and Third streets.

Water was entering the cellar of
the Daily Republican building today
as fast as ever. A rotary pump prop-
elled by a gasoline engine was the
only means that could be used to
keep the water down. The Peoples
National Bank still had a force of
men employed today with hand
pumps to keep the water down.

The river bottoms east of Rush-
ville and north of the road were not
covered with water today as yester-
day. On the south side of the road,
however, the water still flowed, al-
though it was not so high as yester-
day by two or three feet, it was esti-
mated. The water at Second and
Julian streets had gone down enough
so that residents of that district no
longer feared a flood and George
Smalley, liveryman, who had to move
out Sunday night, was back in his
old place of business again.

Reports from over the county were
in effect that the same conditions ob-
tained as in Rushville. The coming
of colder weather marked the crest
of the flood and the waters subsided
fast during the day.

According to Elwood Kirkwood, of
Mauzy, county weather observer, the
temperature was 32 degrees above
zero at 6:30 last night and 13 above
this morning at six o'clock, showing
a drop of twenty-eight degrees. A
continuation of colder weather is the
prediction today. Temperatures in

terday a foot of snow covered the

BREAK IN THE GAS MAIN

Peoples Company Will Repair Lines
Wednesday Morning

Officials of the Peoples Gas com-
pany announced today that the gas
would be shut off completely Wed-
nesday morning from nine until
eleven o'clock so that repairs could
be made to a main which pulled in
two north of the city. The break
in the main explains the shortage of
gas that was noticed by consumers
of the Peoples company this morn-
ing. It was stated that very little
pressure could be kept on the mains
until the repair was made. It is the
first time the Peoples company has
had a shortage this winter.

mate of Rushville Man, Goes
Down in Swollen Stream.

CAPTAIN ALLEN'S COMPANY

Wilbur F. Starr, age forty-two
years, a well known Indiana soloist,
who was drowned in a swollen
stream near Marietta, Ohio, was a
classmate of L. L. Allen of this city
and was captain of Company I, One-
hundred and fifty-ninth regiment, of
which Mr. Allen was a member, in the
Spanish-American war. Mr. Starr
was also Paul Allen's first school
teacher.

Mr. Starr and his wife were going
from Cleveland, O., to Chester Hill
last Saturday night in a carriage to
give a concert and Mr. Starr and the
driver were drowned when the ve-
hicle overturned while they were
fording a swollen stream. Mrs.
Starr was rescued but Mr. Starr's
body has not yet been recovered.

Mr. Starr was a close friend of
L. L. Allen's. They were reared
together in Greencastle. Mr. Starr
was born in Putnam county and was
graduated from DePauw University.
He was associated with the Castle
Square Grand Opera company and
the Alice Neilson Comic Opera com-
pany before entering Lyceum work.

WIFE OF CARTHAGE M.E. MINISTER DIES

Mrs. Elmina Jessica Ericksson Age
33 Years Expires in an Indiana-
polis Hospital

THE FUNERAL IS HELD TODAY

The funeral services of Mrs. El-
mina Jessica Ericksson, wife of the
Rev. Mr. Ericksson, pastor of the
Methodist church in Carthage, were
conducted this afternoon by the Rev.
C. E. Bacon, district superintendent,
assisted by the Rev. W. M. Whitt-
sitt of this city.

Mrs. Ericksson died Sunday in an
Indianapolis hospital after an illness
of several months. She was thirty-
three years old. Mrs. Ericksson was
born in Fort Wayne, graduated from
the high school there and later from
Taylor University. She is survived
by her husband and two children,
Ralph and Alice.

The Uniform Rank, Knights of
Pythias will have a special meeting
tonight at which time the company
will practice in preparations for the
trip to Newcastle.

STORES MADE CO-OPERATIVE

R. H. Jones Company is Formed to
Control 99 Cent Store and Fair
Store of Greensburg.

STOCK ISSUED AT \$100 SHARE

Will be Sold Only to Employees of
the Company—String of Stores
is in Prospect.

A business change effecting the 99
cent store of this city and the Fair
store of Greensburg, was perfected
yesterday, when the R. H. Jones Co.,
was organized and incorporated for
\$25,000. The officers of the new com-
pany are Roy H. Jones, presi-
dent; Harry Hillabold, vice-presi-
dent and Carl Broich, secretary and
treasurer.

The policy of the two stores will
not be changed in the least, the main
purpose of the organization being to
put the stores on the co-operative
plan by letting the employees become
stockholder. The plan was conceiv-
ed by Mr. Jones, who desired to re-
tire from the active management of
the stores. The stock is listed at
\$100 a share and will be sold only
to the employees.

Mr. Jones will act as the buyer for
both stores. Harry Hillabold will
continue as the manager of the
Greensburg store and Carl Broich
will take charge of the local store.
Mr. Broich came here from Indiana-
polis. He is an experienced man in
this business and was formerly with
the Bobbs-Merrill company.

Mr. Jones stated this morning that
the company in the future hopes to
open other stores in this section of
the state and in time will have a
string of stores similar to the ones
here and in Greensburg. The names
of the stores will not be changed
and the business will be carried on
under the name of the R. H. Jones
Company.

Other firms have found it to their
advantage to have their employees
own stock and Mr. Jones believes
that there is little doubt of the ven-
ture proving a success. One provi-
sion is made that the employees in
case they desire to dispose of their
stock shall sell it back to the com-
pany.

SUBMARINE K-5 IS SAFE

Searching Boat Reports She Was
Sighted at 3:55 This Morning.

(By United Press.)
Washington, Feb. 1.—The navy
department announced today that
the submarine K-5 is safe.

Captain Simpson of the Sterrett,
one of the searching boats, reported
to the radio station that she was
sighted at 3:55 this morning ten
miles from Miami, Florida. The K-5
was steaming south at ten knots an
hour and needed no assistance. She
should arrive in Key West today.

WILL SPEAK ON HIS TRIP.

John Frazee, Jr., who was a mem-
ber of the Ford peace expedition will
give an address on his trip Wednes-
day night at the Graham Annex. Mr.
Frazee will take for his subject "Eu-
ropean Conditions and their Rela-
tions to the United States." The
talk should prove interesting. The
meeting is open to the public and it
is hoped that a large crowd will at-
tend.

Walter E. Smith has filed suit on a
note and to foreclose a mortgage
against Wilbur D. Gordon, demand-
ing \$175.

MISSING APPAM SHOWS UP TODAY

British Liner Believed Lost Speeds
Into Hampton Roads With Ger-
man Prize Crew Aboard.

CAPTURED ON JANUARY 15

Moewe, Which Captured Appam,
Sinks Seven British Steamers
During Career as Raider.

(By United Press.)
Norfolk, Va., Feb. 1.—The most
daring feat of the world war was re-
vealed today when the missing British
liner Appam, flying the German
flag, sped into Hampton Roads at
5:45 a. m., with a German prize crew
aboard.

A message thrown from a port
hole of the British steamer Appam to
a United Press reporter this af-
ternoon revealed the name of the
German raider whose prize crew had
brought the liner into port, as the
Moewe, and gave the names of seven
British steamers sunk by the Moewe
and told that she had started the re-
markable career of raiding from the
Kiel canal, passing entirely through
the British naval lines.

The Appam with 166 passengers
and a crew of 134 was believed to
have floundered in a heavy storm or
to have been torpedoed off the west
African coast two weeks ago while
enroute to England. She had been
given up as lost.

Instead, the big liner was captur-
ed by a German merchant raider. A
prize crew headed her about through
heavy seas, raced across the Atlan-
tic, and eluded British warships pa-
trolling the American coast, reached
port today, their movements curtain-
ed only by a light fog.

The Appam passengers said they
were attacked and overcome Janu-
ary 15, off the Canary Islands by
the armed merchant vessel which
disappeared after putting a prize
crew on board the liner.

The German prize crew in charge
of Lieutenant Oscar Berg, would not
tell the name or nature of the boat
with which they attacked the Appam.

CAPTURED TWO VESSELS.

(By United Press.)
Washington, Feb. 1.—The captur-
ed British steamer Appam was armed
by a commerce raider by the Ger-
mans and captured at least two ves-
sels on her voyage to America, was
information contained in a report of
Collector of Customs Hamilton at
Norfolk to the treasury department.

MRS. REEVES STILL LIVING

Knightstown Woman, However Said
to Have Little Chance.

(Special to the Daily Republican.)
Knightstown, Ind., Feb. 1.—Mrs.
Samuel Reeves, who was overcome
by gas fumes, which resulted fatally
to her husband, was still living this
afternoon, but little hope is being held
for her recovery. Mrs. Reeves has
been conscious only two or three
times and then for only brief inter-
vals. The funeral arrangements of
Mr. Reeves have not been made pend-
ing the outcome of Mrs. Reeves' condition.

AUTO RUNS UNGUIDED.

When Roy Beaver left an automo-
bile in front of his home this morn-
ing, the clutch slipped into high gear
and the machine started on an un-
guided "joy ride." It did not stop
until it had run over the sidewalk in-
to the yard, torn down a fence and
hit a tree. The brake was set but did
not hold. The machine was not dam-
aged much.

AGE INMATE DIES TODAY

Mrs. Elizabeth Bruin Expires at Poor
Farm of Cancer.

Mrs. Elizabeth Bruin, 88 years old,
died this morning at 8:30 o'clock at
the county poor farm following a
long illness from cancer and senil-
ity. Her death had been expected.
She was one of the oldest inmates at
the county farm and had been there
since last April. She is survived by
one daughter, Mrs. Thomas O'Brien
of Connersville and an adopted
daughter, Mrs. Ora Maple of Glen-
wood. The funeral arrangements
have not been completed.

BRIDGE REPLACED IN 1915 DAMAGED

In Addition to Loss Southwest of
Carthage, County is Hard Hit
by Damage to Roads

GREEN INSPECTING TODAY

The county will be hard hit as a
result of the recent high water. At
least one large bridge, several small-
er ones and many culverts are
known to have been washed out and
some of the roads have been dam-
aged by the flood. It became known
today that the large bridge over the
Big Blue River, southwest of Car-
thage, was washed partly away. On
one side the bridge was swept away
and it will mean practically a new
bridge. The bridge is on the coun-
ty line between Rush and Shelby
counties.

A large fill at Beaver Meadow, west
of Arlington was washed out. Supt.
Green was on a tour of inspection to-
day and found much damage. A small
bridge in Orange township was wash-
ed out and a large strip of high-
way near Milroy was washed out
and it will likely require a cement
retaining wall about ninety yards
long. The bridge over Blue River
was just replaced last year, follow-
ing the flood of 1913.

ZEPPELINS' TOLL 54 DEAD AND 69 HURT

German Raiders Hampered by Mist
in England Else Fatalities Might
Have Been Greater.

AN OFFICIAL ANNOUNCEMENT

(By United Press.)
London, Feb. 1.—Fifty-four per-
sons were killed and sixty-nine in-
jured in Monday night's Zeppelin
raid over Derbyshire, Staffordshire,
Lincolnshire and Leicestershire, it
was officially announced this after-
noon.

The number of dead and wounded
may be increased in later reports, it
was indicated. The official state-
ment from cities bombarded are still
incomplete. The Zeppelin raiders
were hampered in their operations by
a mist which made it impossible to
hurl down bombs accurately or to
gauge their surroundings.

The four counties raided by the
Zeppelins lie about 400 miles north
and northeast of London and contain
some of the greatest manufacturing
cities of England.

IS LOWER AT MARTINSVILLE

Will Rise Two Feet Below There,
However, According to Meteor-
ologist Armington.

(By United Press.)
Indianapolis, Ind., Feb. 1.—Floods
along the White river north of Mar-
tinsville apparently had done their
worst and the river was at a stand-
still or falling today. South of
Martinsville, however, the river will
rise at least two feet more, accord-
ing to Meteorologist Armington.

The White river was falling at
Muncie and Anderson, was station-
ary at Noblesville and Indianapolis
and had fallen three inches since 9
p. m. yesterday at Martinsville.

WABASH STILL RISING.

Terre Haute, Ind., Feb. 1.—This
city was today momentarily expect-
ing news that the Conover pond lee-
vee had broken. This levee went out
in 1913. If it breaks it will endan-
ger 100 homes. Most of those fami-
lies have moved out.

The Wabash river was rising to-
day at all points south of the mouth
of the Mississinewa near Peru. At
Wabash, above that point, the river
had dropped eight inches at 10 a. m.

The Wabash reached the 22.6
stage today, a rise of 2.4 feet since
eight o'clock last night. A 25-foot
stage Thursday is predicted.

The Wabash was rising one inch
an hour at Mt Carmel, Ill. It reach-
ed a 22.4 stage there at 10 a. m. to-
day.

THOUSAND HOMELESS.

Peru, Ind., Feb. 1.—One thousand
people were homeless in South Peru
today, due to the flood of the Wa-
bash, which rose over a foot during
the night. The river was at a stand-
still at 11 a. m. today.

STREET LIGHTS ARE OUT.

Newcastle, Ind., Feb. 1.—Blue
River, which went over its banks
Saturday night, and covered a
wide area, was receding today. Part
of the grade of the Honey Bee divi-
sion of the Union Traction Company
just north of the city was washed
out, but workmen succeeded in filling
in the break. The city will be with-
out street lights until Friday or Sat-
urday because water has weakened
the foundation under one of the big
engines.

WATER FALLING SLOWLY.

Greencastle, Feb. 1.—The middle
pier of the bridge over Little Walnut
Creek on the Monon Railroad, north-
east of this city, is in danger of go-
ing out under the force of the water.
Approaches to wagon bridges in
the county have been cut, with the wa-
ter standing seven feet deep over
some of them. The water in this vi-
cinity was said to be receding slowly
at a late hour.

DANGER PAST AT ELWOOD.

Elwood, Ind., Feb. 1.—Flood wa-
ters, which reached within eleven
inches of the high water mark set
here in 1913, began receding late last
evening and it is expected the fifteen
families forced from their homes last
night and today will be able to move
back by tomorrow. None of the
bridges in the city was weakened by
the flood and the damage done here
was not serious.

FORTY FAMILIES DRIVEN OUT.

Delphi, Ind., Feb. 1.—The crest of
the Deer Creek flood was reached

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time. It is the most effective way to break up a cold or cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.

TEXTILE MILLS GET WAR ORDERS

Started and Reopened After Many Years Idleness Because of European Conflict

ON LARGER SCALE THAN EVER

(By United Press.)
Boston, Feb. 1.—The woolen and worsted mills in New England are thriving, according to the statistical review of the Textile World Journal. This condition is said to be representative of the entire country. Idle mills were started, partly owing to war orders and it is difficult to find a mill capable of manufacturing profitably without extensive rebuilding, that has not been leased or purchased and put in operation. The American Woolen company has acquired another mill in Maine, besides making many important improvements and increases in its various plants. The United States Worsted Company has largely re-equipped and started up the Iroquois Mills at Saugua, Mass., after an idleness of many years. The Bigelow-Hartford Carpet company is bringing about manufacturing economies by building new mills at Thompsonville, Conn., and at Clinton, Mass., and converting machinery from Lowell, Mass. Extensive rebuilding operations are under way at the Sanford Mills at Sanford, Me.

DO NOT HAVE TO PAY INHERITANCE TAX

Masonic Lodges and Other Organizations Are Not Amenable to Law, Stotsenburg Says.

OPINION MEANS REQUESTS

Evan B. Stotsenburg, attorney general, has given an opinion to the inheritance Saturday gave an opinion to the inheritance tax department of the state board of tax commissioners in which he said that Masonic lodges, and other organizations of similar character, where they are beneficiaries of legacies, are not amendable to the provisions of the inheritance tax law, if they are of the class of institutions known legally as charitable, and if the property that is bequeathed to them is to be used solely for the purpose of the organization.

The opinion said, in part: "Such societies are exempt from the payment of the inheritance tax where the property can be considered as having been devised to a charitable institution for the purpose of its organization. It has been held in Indiana that a devise to a Masonic lodge is a devise to charitable uses."

Service of The "Jiners."

The month just past has been a great time for annual meetings. The newspapers are full of lists of officers elected for churches, fraternal and charitable societies, business corporations. It is very noticeable that the work of carrying on all these organizations tends to be concentrated in a few hands. One person may hold office in a dozen societies.

This is an age of "jiners." It is often said that one organization should be formed just to kill off needless societies. Yet all these forms of work are needed. It often seems impossible to get the offices filled. Most people sit still and criticize, while a few get up the supper and arrange the entertainments.

It is sometimes said that the people who are prominent in a number of organizations are pushing and aggressive and enjoy leadership and management of others. It would be nearer the truth to say that when people are found to have executive ability, they are constantly teased to overload themselves with public tasks.

The organization of civic and social like involves generous, public spirited work. The time required merely for committee meetings is almost interminable. The society officer often finds it easier to decorate a hall himself than to get a committee who will do it. A Sunday school superintendent said the other day that he had asked 21 persons to teach a Sunday school class before he found one who would consent.

The planning of entertainments involves ceaseless labor and endless detail. Sometimes it seems a fruitless waste of energy. Yet the town lacking these social features is dead. People don't like to live there.

It should be recognized that people who accept these offices and perform these tasks perform a real public service. Wherefore, before declining to serve as secretary or committee member of some good organization, think is over well before you flunk on it.

The choice of a vice president never attracts any attention, but so far the delegates have always remembered to put one in nomination before leaving for their homes.

The fact that the boys take readily to military drill does not prove that they will lower their dignity by marching in with the girls at the Sunday school concert.

After talking about the extravagance of the age, a good many men go down to the garage and order their 1915 machine exchanged for a 1916 model.

Whatever error the income tax payers make in their returns, they never forget to allow for the tendency of profits to shrink and losses to grow.

President Wilson's speeches on Preparedness will convince everyone in places where he promises that they will get a munitions factory.

Glycerine and Bark Prevent Appendicitis

The simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka, astonishes Rushville people. Because Adler-i-ka acts on BOTH lower and upper bowel, ONE SPOONFUL relieves almost ANY CASE of constipation, sour stomach or gas. It removes such surprising foul matter that a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler-i-ka is astonishing. OHIO CONVICTS HAVE COUNCIL TO MAKE COMPLAINTS TO WARDEN

With Forger Presiding, Meeting Comes to Order Today And "Kicks" Are Prepared, Such as Demand For Clean White Shirts on Visiting Days

Columbus, O., Jan. 31.—"Hear Yel The honorable convict council of the Ohio penitentiary now stands convened." At the opening of the today's meeting of the convict City Council in the bug Trusty cell block at the Ohio penitentiary here, Councilman Joseph Kroeger, forger, thus called the eight convict Councilmen who, after hearing the "kicks" of the convict constituents, will make suggestions to Warden Thomas. Here's what happened at a recent council meeting:

Councilman Jay Whitman, horse-thief, addressed the chairman, Joe Cromwell, burglar, with this: "Your honor, I move we humbly petition Warden Thomas to provide all prisoners with clean white shirts on visiting days." "Second the motion," said Earl Pinder, murderer, "Looky hear, yo' honah," frowned Bill Shannon, colored confidence man who represents the colored contingent. "Clean white shirts as scrumptious, but de warden 'll neva see us fo-

dust, 'cause dis am no fashion emporium." The motion passed over Bill's objection. Next day they found out Bill was right. The warden refused the shirt petition, but he granted several other petitions, including hot coffee with Sunday night cold lunches in cells.

Prisoners have been permitted to talk at the noonday meals, and a petition to the warden asking that the privilege be extended to the morning and evening meals was passed at a meeting a few days ago. Here's the way Bill Shannon pulled for it: "Gemmum, dis sign lang-widge at meals am getting de goats of ouah constituents. It am horrible hard foh dem to communicate by wigglin' dere hands, twistin' dere moufs, rollin' dere eyes and odder things. De warden should be pettishuned to let us gab at all meals. Warden Thomas saw the force of Bill's argument and came half way by granting a petition to let them talk at the evening meal.

ARRESTS FALL OFF IN FIRST MONTH

New Dry States Take Inventory of Themselves—Novelty of Near-Beer Saloons

SUCCESS IS HANGING FIRE

(By United Press.) Portland, Ore., Feb. 1.—After a whole month on the waterwagon, the heretofore wet portions of the three states of Oregon, Washington and Idaho are taking an inventory of themselves. Total arrests of January, 1916, show a decrease of nearly two-thirds over the same month last year, according to official records. In Seattle, Portland, Spokane and Tacoma a drunken man is not often seen, it is said. The novelty of near-beer saloons hasn't worn off and their ultimate success is still hanging fire. Many of these have advertised a welcome to women customers. But only in curious groups, usually led by a man, have the members of the fair sex ventured inside. Many cellars and basements in Oregon and Washington are well stocked with liquor and an easy way is provided, for getting more. Idaho, which has a drum tight prohibition law, was nearly all dry by local option before statewide prohibition took effect.

SEVENTY FOUR MEN ARRAIGNED TODAY

Appear Before Judge Deery to Hear Sentence Pronounced For Spitting on Sidewalks

CAMPAIGN BY HEALTH BOARD

(By United Press.) Indianapolis, Feb. 1.—Seventy-four men, all charged with spitting on the sidewalks, filed sheepishly before Judge Deery today to have judgement pronounced. They were caught in the dragnet thrown out by the city board of health, which proposed to enforce the city ordinance. There were no women among the defendants.

The ordinance has no provision against spitting in the street, and since the arrests were made several days ago Indianapolis men have been walking a few feet nearer the curb. This ordinance is expected to prove a source of great annoyance to tobacco chewers especially if the health board continues to cause arrests.

CANDIDATE FOR CLERK Of the Circuit Court.

Subject to the Decision of the Republican Primaries March 7, 1916.

FRANK C. BUELL

To the Republicans of Rush County:

As it is nearly impossible to see each one individually we are authorized to take this method of placing his name before the voters for their consideration.

WHO IS HE?

He is a farmer, 48 years old, born and always lived on the farm where he now resides and received his education in the township and city schools.

He makes no claim to be entitled to the office any more than any other Republican that has always voted and worked for the party.

He does not say he needs the office to make a living as he is making a very good living where he is, but if nominated and elected he does not promise to give the salary away as he never saw any one yet who could not use another dollar or two.

He has been a Republican all his life; his father has been a Republican since the birth of the party; and his grandfather was a Whig before he was a Republican. None of them have ever held a county office or even asked for one.

If nominated and elected, he promises to serve the people to the best of his ability.

CLUB OWNERS TO RULE SUPREME

Ball Players Have Hunch That They
Will Have to Make Few Con-
cessions to Men in Power

TO PULL ON PURSE STRINGS

Chance For Graft Being Eliminated
no Chance For Decision Fights
in New York

(By United Press.)

New York, Feb. 1.—While the Giants and other institutions of great wealth are paying Christmas Tree prices for stars of the late lamented Federal League, there is weeping and wailing and gnashing of teeth among the great majority of ball players at the prospect of having to stand for a few concessions to His Majesty the Clubowner in 1916.

Especially in the training season may the average ball player be hit where he feels it some—in the latitude of the hip where he keeps his greenware. A few lucky stars will hold to rosy prospects for another year or two by reason of long-term contracts made when the Feds seemed determined to spend all the money in the world.

It's hard to figure how they can be hit by the changed conditions unless the clubowners choose to fly in the face of the Supreme Court, the law and the silk-batted fraternity appertaining to the same. But of the unlucky athletes who found themselves caught without the protection of binding whereas they're telling another story as the time to go South draws near.

The lads whose chief concern in spring is the pretty tintinabulation of the dinner bell may fight shy of the dining room on the conditioning-tour this year. At the rate of 25 cents for soup and \$1.25 for steak they may not be as hungry in the spring of 1916 as in the days of the baseball war.

Then the magnates were smiling through their tears and standing for nearly anything to keep the slaves in line. Now with the magnates on terms of extreme friendliness there's a stringency of the old purse strings which looks portentous for the spring-time gamblers.

It was a matter of jest in last year's training tours that the players were rubbing it in on their obedient owners. Expenses meant little to them; the clubowners had a lot of 'em and the more they paid the more they seemed to grin.

Training bills ran into thousands and the spring games brought only a few paltry shekels, scarcely enough to buy liniment for winter-softened hurling wings. And the start of the league season found the clubowners maced for a right respectable roll.

No one has announced it yet; maybe no one will, but persons in the know of baseball don't believe for a minute the magnate will be tossing away railroad fare, hotel expenses and other coin this year just to hear it jingle along the pavement.

Maybe a whole crowd of athletes will have to pay the conductor for the ride from their respective homes to their equally respective rendezvous. Maybe they will have to go through certain financial formalities with the hotel man this year which were attended to in 1915 by the club treasurers and maybe, while the game of supposin' is strong maybe some of the players will find the price of their own uniforms deducted from the first semi-monthly paycheck.

Ball players winked at their financial and gastronomic strategy on the road in other years. They dropped off at way stations and stayed the pangs of hunger with lunch counter sandwiches, though they were allowed liberally for dining-car meals at dining car prices. It was a form of graft and with some athletes amounted to quite a sum in the course of the season.

New York boxing enthusiasts worked themselves into a heated state of mind during the recent agitation to allow decisions in ten-

round-bouts. The opponents of the plan advanced several objections, chief among them being the game was doing pretty well, thank you, under existing conditions. The logic of the situation however, was expressed by one authority who cited the case of the fighter and the boxer appearing in a short bout.

"Suppose a rough, tough, durable fighting person were champion," said this fight expert. "That type of man has to go ten rounds and have his map altered quite a bit to get his fighting instinct aroused. He is beaten badly as a rule for the first ten rounds of his fight with a clever boxer but on the other hand the boxer frequently weakens under his own exertion and succumbs to a knockout in a finish, fight. Would you have a fighter lose his championship on his showing in ten rounds under those conditions?"

"It's all wrong, Fred Wenck; entirely erroneous."

Lovers of the boxing game for the sake of the sport alone are alarmed over another agitation in boxing circles. It is Jim Buckley's advocacy of mixed bouts, contents between white and negro fighters. General opinion among men who give the game its touch of class is against the manager of Gunboat Smith.

The spectacle of a black fighter defeating a white man, toying with him, kidding him, perhaps (as was Jack Johnson's wont in his prime) before handing him his quietus seems to grate on the white man's sensibilities even in prospect. The reality, it would appear, would be a blow to the sport.

Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomaine-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water, with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject. Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.

The Women's Missionary Society, of the Little Flatrock church, will be entertained at the church Thursday afternoon at 2 o'clock, by the Ladies of the February division. The hostesses are Mrs. Cliff Stevens, Mrs. Clarence Carney, Mrs. Kenneth Kelso, Mrs. Clyde Wilson, Mrs. Irma Mitchell, Mrs. Stella O'Neal, Mrs. Banks and Mrs. Strawn. The leader for the meeting will be Mrs. Ora Logan.

The members of the Shakespeare Club are confident of an unusually interesting program at their meeting tonight, when Prof. Jenkins of Indiana University will give another of his interesting series of lectures. "George Bernard Shaw" is the promising subject with which he will interest the club members this evening.

The lecture will be given in the Assembly room of the Graham High School at 7:30 o'clock.

COTERIE CLUB

A postponed Christmas party was the form of the meeting of the Coterie Club yesterday afternoon, when they had a meeting full of interest and sociability. The Christmas tree and exchange of gifts that had been planned for the holidays did not materialize, so it was held yesterday with added interest and pleasure. In the gifts that were exchanged were included many dainty and clever remembrances, suggestive of the friendships that exist in this organization. Near the close of the afternoon, dainty refreshments were served to the guests. About fifteen members of the club were present to enjoy the pleasant afternoon. The next club meeting will be at the home of Mrs. Bert Trabue on Monday, February 14th.

FOR CALIFORNIA GUEST.

In honor of Ben Gruell of Los Angeles, Cal., who is visiting friends near the city, Mr. and Mrs. Charles Gruell entertained with a delightful dinner party at their hospitable home east of the city, on Sunday evening. With dainty pink and white carnations, the table was made radiant for the agreeable company of friends, who in this pretty atmosphere, spent such a pleasant evening. The dinner of several courses was beautiful in its appointments as well as delicious in each of the dainty dishes. Music and lively conversation made the evening a pleasant one for the guests who were the Misses Elsie Lucille Coffelder, Alice, Harvina, and Charlotte Elsie Gruell, and Ben Gruell, Bert West and Glen Miller.

LADIES MUSICALS.

An unusually interesting and entertaining program marked the meeting of the Ladies Musicales which was held at the home of Miss Alice Norris yesterday afternoon. Miss Mary Smith had charge of the excellent program, which was as follows:

Piano Solo—Sonata by Haydn—Miss Anna Poundstone
Viola selection—"Caprice"—Fritz Kreisler
Quartet—"For-get-me-not"—the Misses Alice Norris, Wanda Wyatt, Norma Smith and Mrs. Frank Wolcott.

Vocal Solo—"When Song is Sweet," by Gertrude Sansouci—Mrs. Ed Muire.
Viola record—"The Beautiful Bird"—Tetrazzina.
"Barcarolle," by Hans Sut—Miss Leona Thomas.

Vocal Solo, "Wishes"—Miss Wanda Wyatt.
Piano Solo, "The Spinning Song," by Wagner—Miss Mary Smith.
Vocal Solo, "Pluck This Little Flower," by Landon Ronald—Miss Norma Smith.

Viola record—Mella.
Piano solo, "Carnival Mignon," by Schubert—Miss Norma Smith.
Quartet, "Water Lilies"—Misses Norma Smith, Wanda Wyatt, Alice Norris and Mrs. Frank Wolcott.

Following this a tribute was read to Mrs. Rich Wilson, who was one of the first and most popular members of the Musicales. Her beautiful life and its effect upon this organization as well as every other circle with which she was associated was dwelt upon.

The usual business meeting was the last feature of the afternoon meeting, which was agreed to have been one of the best of the year because of the beautiful numbers, that

showed careful preparation and talent by their excellent rendition.

LOTUS CLUB

The three tables of players composing the Lotus Club had another one of their enjoyable meetings last evening when they were entertained by Judge and Mrs. Will Sparks at their home in North Main street. The agreeable company had an interesting evening, at the close of which light refreshments were served.

CONDITIONS IN STATE BETTER

Continued from Page 1.

here at 8 o'clock last night and water is receding. Twenty families were driven out. The Wabash River is still rising, and has invaded Delphi on several streets. About twenty families also were driven out by the Wabash and more will have to go by morning. The Wabash is now about seven feet below the high mark of 1913.

MOVE TWICE IN MONTH.

Fort Wayne, Ind., Feb. 1.—Residents of Baltes avenue, Bluff street and Prospect avenue here, for the second time this month were driven from their homes by the high water Monday. The local rivers nearly reached the twenty-foot stage, which is four feet above flood stage, and the weather man says that they will reach twenty-one feet by tomorrow morning. This will be a half foot higher than the previous high mark for this year.

LAFAYETTE BRIDGE CLOSED.

Lafayette, Ind., Feb. 1.—The high water last night covered the Brown street levee, and the bridge spanning the river between Lafayette and West Lafayette was closed to all traffic. This bridge lost two of its spans in the flood of 1913. The new Main street bridge is in no danger.

COLD CAUSES SUFFERING.

Wabash, Ind., Feb. 1.—Following a rise for forty-eight hours, the Wabash River here is at a stand five feet below the stage reached in March, 1913. With freezing weather there is much suffering among the families living in the second stories of their homes. In places interurban tracks are under seven feet of water. Many more homes were abandoned today by families in the lowlands.

HOPEFUL AT EVANSVILLE.

Evansville, Ind., Feb. 1.—Colder weather, it is believed, will check the flood pouring down the Ohio River as the result of the heavy rains over the Ohio valley. The stream last night was 37.6 feet and it will continue rising until Wednesday.

The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

TURN HAIR DARK WITH SAGE TEA

Grandma kept her locks dark, glossy and thick with a simple mixture of Sage Tea and Sulphur.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.

Sure Way To Get Rid Of Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

Stomach Troubles Quickly Cured

People go on suffering from little stomach troubles for years, and imagine they have a serious disease. They over-eat or over-drink and force on the stomach a lot of extra work, but they never think that the stomach needs extra help to do the extra work.

If these people would take Tonoline Tablets regularly they would be a great big help to the stomach in its strain of over-work. No matter what you eat or drink Tonoline tabs sweeten your sour stomach and stop gas belching in five minutes. The heaviness disappears, and the stomach is greatly aided in its work of digestion.

TONOLINE TABLETS

Not only promptly relieves

all distress, but if taken regularly will absolutely cure indigestion by building up the flabby, overworked walls of the stomach and make them strong enough to digest the most hearty meal. For sale by

Y. W. C. A. STARTS JUBILEE TODAY

Month of Celebrating The Fiftieth Anniversary of Founding Gets Under Way

SPECIAL DAYS ARE NAMED

Organization Membership Totals 342,948 And Has Property Valued at Thousands

(By United Press.) New York, Feb. 1.—Throughout the United States, beginning today, the Young Women's Christian association starts its national jubilee month celebrating the fiftieth anniversary of the founding of the first association, in Boston, March 3, 1866. Nine hundred and sixty-six associations, including city, county and student have developed and exist today as the result of that first association, which was started by a society of women to help self-supporting girls who came to the city to seek employment.

The organization membership in America today numbers 342,948. The association owns millions of dollars worth of property in buildings to which hundred of thousands of young women go for education, recreation, to make friends and to find a place to live. Beginning with a nation-wide membership rally today, the jubilee month will be filled with celebrations and events.

February 6 and 7 will be pioneer days, on which every member of the organization, past and present, will report back to the local association which was her first interest. On February 22nd the historical pageant "Girls of Yesterday and Today" will be represented in every association building in the country. This will be a four-act play, in which the Girl of 1866 and the Girl of 1916 will interpret through the medium of the other members of the company, the scenes that pass before them. There are only two speaking parts in the pageant. On March 3rd will be celebrated the Fiftieth Birthday of the association's work in America.

Other pioneer Associations bearing the name of Women's Christian Associations were organized in Hartford, Conn., Providence, R. I., Pittsburgh and Alleghany, Pa., in 1867. Cincinnati, Cleveland and St. Louis followed in 1868 by forming similar societies. Similar associations were formed in St. Joseph, Mo., Scranton, Pa., Kansas City, Mo., Minneapolis, Minn., and Toledo, Ohio. All City associations emphasized religious meetings and Bible instruction and as early as 1872 the New York City Y. W. C. A., commenced a Bible class which shortly developed an average attendance of 600. Employment agencies have always been an important part of Association work. In 1872 Hartford, Conn., erected the first building for this purpose. The first Association summer home was built at Asbury Park by the Philadelphia Association in 1874. In 1891 Kansas City, Mo., opened the first self serving lunch room, now known as the cafeteria.

In 1866 a convention was held at Lake Geneva and the National Young Women's Christian Association which later became the American Committee with headquarters at Chicago, was formed.

NOTICE OF FINAL SETTLEMENT OF ESTATE.

County News

Glenwood

The Ladies Aid society of the M. E. church met at the parsonage and elected the following officers: Mrs. Nellie Ruff, Pres.; Mrs. Ryan, vice-president; and Mrs. M. H. Fielding secretary and treasurer.

The society met Monday afternoon to sew for Mrs. Roy Hensley in making clothes for her daughter who will go to the Sexton sanatorium about Wednesday of this week.

George Hulse was operated on for some kind of cancerous growth in the neck of his bladder. It has been hurting him lately. Mr. Hulse is about 76 years old and an old soldier.

The rains have been descending for some time and small streams are running near by full. The cellars are being filled.

It was reported that Dr. Leon Mingle would locate at Markleville, where he would be near home. But he has concluded to remain in Glenwood. He has had a reasonable degree of success as a veterinary since he came to this vicinity.

Mrs. Henry Snyder succeeded in collecting enough funds to pay for the keep of the little daughter of Mrs. Roy Hensley's wife who goes to be operated on for appendicitis on Wednesday of this week.

Daniel Geise has purchased the Stamm property and will move there in April.

Lew Matney has bought the property where he has lived during his residence in Glenwood.

Master Leslie Link spent the week end in Orange with Mrs. Helen Stevens his sister.

Greenup Thompson may be honored with title of Justice of the Peace. Homer Nash trustee of Union township will fit him out with needed supplies as soon as possible. It is supposed his office will be at his residence.

The roads are fearfully bad so much so that rural carriers are delayed as much as 3 hours.

Several from here attended the Farmers' Short Course at Orange on Saturday.

S. D. Tarrer is growing much better. He has been down town two or three times this last week.

Geo. C. Jones was called to his home on account of his mother being prostrated cooking dinner for folks who were attending the funeral of Dan Hibbs, an old resident, Columbia, Fayette county, the cause being, "brain clot." She is now some better and there is some hopes for her recovery.

There was no preaching services at the U. P. church Sabbath day. Not many attended the services at the M. E. church Sunday morning. It only takes a little rain to keep most people away from church.

Lee Link was the first victim of the marshal and justice of peace. It cost him \$11.80.

The Rev. Daniel Ryan gave two very interesting talks at the church Sunday morning and evening.

Mr. and Mrs. Chas. Newhouse spent Sunday with Dr. and Mrs. J. E. Walther and family.

True Secret of Keeping Youthful Looking

(The Beauty Seeker.) "The real secret of keeping young-looking and beautiful," says a well-known hygienist, "is to keep the liver and bowels normally active. Without these requisites, poisonous waste products remain in the system, polluting the blood and lodging in various organs, tissues, joints. One becomes flabby, obese, nervous, mentally sluggish, dulled, wrinkled and sallow of face." "But to get liver and bowels working as they ought, without producing evil after-effects has been the problem. Fortunately, there is a prescription of unquestioned merit, which may now be had in convenient tablet form. Its value is due largely to an ingredient derived from the humble May apple, or its root, which has been called 'vegetable calomel' because of its effectiveness—though, of course, it is not to be classed with the real calomel of mercurial origin. There is no habit-forming ingredient in 'Sentinel' tablets—that's the name—and their use is not followed by weakness or exhaustion. On the contrary, these harmless vegetable tablets tend to impart tone and elasticity to the relaxed intestinal wall. Sentinel tablets, which may be prepared from any drugstore—a dime's worth will do—will prove a revelation to any constipated, liver-troubled person."

The Constipation Curse

Constipation—clogged bowels cause pain and sickness; 95 per cent of our ills, say the authorities, Sentinel Laxatives bring quick relief. All vegetable—contain no calomel. Ten doses for a dime at any drugstore. Physician's sample free, upon request, if you mention this advertisement. The Sentinel Remedies Co., Inc., 800 Madison Ave., Covington, Ky.

Swift's Fertilizers Continue to Make Winners

If you used Swift's Fertilizer and obtained the best yield in the state you would, of course, give our fertilizer the credit that was due it. NOW, if the following year's Champion used Swift's and this performance repeated from year to year, you naturally would begin to think that Swift's Red Steer Brand is a pretty good fertilizer, would you not?

Look at the Record and Decide Yourself.

There can be no better proof of the value of a fertilizer than the records made by those who use it. There must be merit in a fertilizer that produces the results stated below:

Mr. Will Essig, Tipton, Indiana—131 bushels corn per acre.

The largest yield of which there is any record in Indiana. Mr. Essig was recently awarded a gold medal at the Panama Exposition. Used SWIFT'S.

Mr. Norris McHenry, Elizabethtown, Ind.—112 bushels per acre. Winner of the Indiana 1914 Men's Five Acre Corn Contest. Used SWIFT'S. In 1915 he was induced to use other than Swift's Fertilizer and got no prize.

Mr. F. R. McHenry, Norris' father—used no fertilizer in 1914 and won no prize, but as his son won the State Championship in 1914 with the aid of Swift's Fertilizer, Mr. McHenry used Swift's in 1915, got 87.3 bushels of ripe corn per acre and won the sweepstakes for men in the Bartholomew County Five Acre Corn Contest.

The 1st, 2d, 3d and 4th prizes for the highest yields of good quality corn in the 1915 Five Acre Corn Contest for men in Bartholomew County, Indiana, all went to users of Swift's Fertilizer. Also in the Boys' One Acre Corn Contest in the same county, the 1st, 2d, 3d and 4th prizes went to users of Swift's Fertilizer.

The Ohio 1914 Champion Corn Grower, Arnett Rose, Alger, Ohio—153.9 bushels—used SWIFT'S.

The Ohio 1915 Champion Corn Grower, Dewey Hines, Arcanum, Ohio—154 bushels—used SWIFT'S.

The Indiana 1914 Boy Champion Corn Grower, Roy Friedersdorf, Elizabethtown, Ind.—128.8 bu.—used SWIFT'S.

Cordon Reap, Elizabethtown, Indiana, who was third last year, is County Champion with 105.73 bushels. He also used SWIFT'S this year.

There certainly MUST be something in Swift's Fertilizers that PRODUCES RESULTS. Swift's blood, bone and tankage fertilizers make prize winners.

If YOU do not use Swift's Fertilizers, you are not sure that you are using the best fertilizer obtainable. You want the best—then buy SWIFT'S—the Red Steer Brand.

HARTFORD CITY MAN ESCAPES THE KNIFE

Charles Inman Able to Go to Work
After Operation Was
Avoided.

Charles Inman, 424 East Chestnut street, Hartford City, Ind., was desperately ill with stomach trouble. He was advised to go to Fort Wayne for an operation.

Then he took Mayr's Wonderful Remedy and in a short time was able to go back to work. In a letter he said:

"My disease started seven years ago. I had to give up and go to bed. Four doctors said they could not cure me unless I went to Fort Wayne to be operated on, and that it would cost \$150 or \$200. My daughter saw your advertisement and I took your treatment. In three weeks I went to work and haven't missed but one-half day since from sickness. It surely saved my life."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory your money will be returned.

RETURNS TO THE RANKS OF G. O. P.

Winston Menzies, Editor, Son of Major G. V. Menzies, Makes Announcement of Policy.

HIS FATHER IS A DEMOCRAT

Declares he Has Always Believed in High Protective Tariff as the Best Principle.

The Mt. Vernon Evening and Weekly Sun, which has been listed as an independent newspaper, has announced its return to the ranks of the Republican party and has put at the head of its editorial page the following words: "For President, Charles W. Fairbanks, of Indiana." The editor and general manager of this paper is Winston Menzies, son of Major G. V. Menzies one of the best known Democrats of Indiana. The editorial announcing the affiliation of the paper with the Republican party is as follows:

"The Evening and Weekly Sun wishes to announce that it has returned to the ranks of the Republican party and will henceforth support the Republican party and its nominees

"We are back in the ranks. We don't return asking for a commission among the leaders, we are back as a private in the ranks willing and intending to support the Republican tickets nominated, from top to bottom.

"We have always believed in the high protective tariff and that our manufacturers and farmers should have their products protected from foreign competition at all times and under all circumstances.

"We don't agree with the present administration in the majority of its policies, or undertakings and feel that our efforts should go where our heart is, back into the Republican ranks.

"We will be criticised by some of our so-called friends and our earnestness will be questioned by a number of the 'oldtimers,' but our stand in the Evening and Weekly Sun in the future will convince our friends, our so-called friends and those of the opposite party, just where we stand at all times."

FILES PETITION FOR SUPPORT MONEY

Mrs. Mary I. Doyle Demands \$10 a Week For Her Child and Asks Maiden Name be Restored.

WANTS CHANGE IN DEGREE

Mrs. Mary I. Doyle filed a petition in circuit court this morning asking that her maiden name of Mary Neutzenhelzer be restored and that her divorced husband, Will F. Doyle be ordered to pay her \$10 a week support money for her child.

Mrs. Doyle was granted a divorce November 11, 1915. The petition states that at the time the divorce was granted the whereabouts of Doyle were unknown, but since that time, the plaintiff is informed that he is employed in Newcastle. She states that he is capable of earning \$25 a week as a mechanic and she asks that the divorce decree be so changed as to give her \$10 a week support money.

"Survival of the Fittest"

A proprietary medicine like everything else that comes before the public has to prove its merit. It has to meet competition. The law of the "Survival of the Fittest" applies to this as to other things. The fact that Lydia E. Pinkham's Vegetable Compound after forty years of success is still one of the largest sellers proves that it is a dependable, standard remedy for the ailments of womankind, and one in which they may have perfect confidence.

COLD WEATHER STOPS THE FLOOD

Continued from Page 1.

Rushville during the middle of the day did not register above twenty-two degrees.

Business men in East First street and South Perkins street were trying to find a solution for their high water. There were those who contended that a sewer running under Oneal Brothers' place of business was stopped up and would not allow the water to escape, but others held that it was surface water which could not escape through the sewer which enters the mill race near Cross' barn in South Julian street.

Mayor Bebout employed a surveyor Monday and took the level of the water on each side of the race and found that it stood at the same height both places. This upset their theory that the water could not escape through the sewer under Oneal Brothers.

So the only theory left to account for the high water south of First street between Julian and Perkins was that surface water backed up because it could not find an outlet through the sewer by Cross' barn. Business men in that district felt that there must be a reason because water had risen around the Pinnell-Tompkins Lumber company's buildings and had extended to the corner of Julian and Second street Sunday night while the river was steadily falling long before the race had overflowed its banks between Second and Third streets.

Those who maintained that the sewer under Oneal's was stopped up held to be conclusive proof of the fact that water had been standing in the hitchrack back of the county jail for several weeks previous to the flood.

Business men in that part of the city were so aroused about water standing in the hitchrack that fifteen of them signed a letter which they mailed to Dr. J. N. Hurty, secretary of the state board of health, complaining about the unsanitary condition of the place. The rack has been in such condition that very few people could hitch their horses there.

Dr. Hurty replied that it was a question to be settled by the city board of health and that he had no jurisdiction in the matter. Dr. Hurty's reply was mailed to Mayor Bebout to be referred to the city health board and the question will probably be settled after the flood waters have receded.

Word has been received here by the parents of Harold McClanahan that he has accepted an excellent position as pianist with the Mozart Quintette for a month and is making engagements in Florida. He received a leave of absence from college for the time and after graduation, will join the concert company for the

Frankfort's Police Get New Location

Going From Basement of
Court House

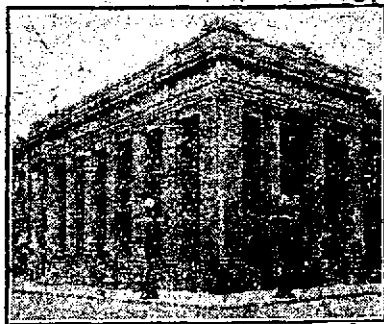

ECONOMY MEASURE IN FORCE

(By United Press.)

Frankfort, Ind., Feb. 1.—Frankfort's police department was moved today from the basement of the courthouse to two rooms in the Ham building, east of the fire department. For rental of these two rooms the city pays only \$10 a month.

The city put an economy measure into force today when it stopped cleaning the inside portion of the pavement about the city square, which is supposed to be under county control. The county must pay for such cleaning, ruled the city council.

Richard and William Pugh are both confined to their home with chicken-pox.
